

DEDICATION

One hundred years ago, the 49ers were pioneering. In their search for better land and new routes to the West, they were ever watching for the gold which lay just beyond.

Today, we are also pioneering — for better ways of living and new routes to truth and wisdom. At the end of this phase of our search, we pause to look ahead, past the broad frontier, to the golden future — the years to come which are ours to meet, and ours to preserve with ever increasing knowledge.

To that future, with all its challenging obstacles and glorious opportunities, we, the *Newtonian* '49ers, dedicate our year book.

in memoriam
of
MISS CORA E. RILEY

Cora E. Riley, Director of Student Personnel and Guidance of the Newton High School and Newton Junior College, was recognized as one of the best informed persons on college entrance requirements throughout the country, and as an authority on effective guidance and personnel work on the high school and junior college level. She was given the title of Director of Student Personnel and Guidance and has been responsible for the entire program of guidance of the high school and Newton Junior College. The success which Newton High School has enjoyed in the preparation of students for college, has been due in great part to her leadership in the maintenance of standards, her periodic visits to colleges, her knowledge of current college requirement trends, and the great amount of time and attention which she devoted to the individual pupil in helping him decide upon the institution in which he would be happy and successful.

ALPHA BETA

The Alpha Beta Club is a sophomore edition of the English Club and Tusitala. Its purpose is to give sophomores an opportunity to develop interests similar to those pursued by members of these two clubs in junior and senior years. This year club meetings were devoted to the reading and discussion of the members' original work, both prose and poetry. There were group discussions of the various aspects of creative writing and analysis of works of great writers. A series of recordings were made by different members reading their own compositions. This gave club members an excellent opportunity to criticize the work of their fellow authors, and also to have their own work appraised. One open meeting was held with a guest speaker. Membership in Alpha Beta is valuable to all sophomores.

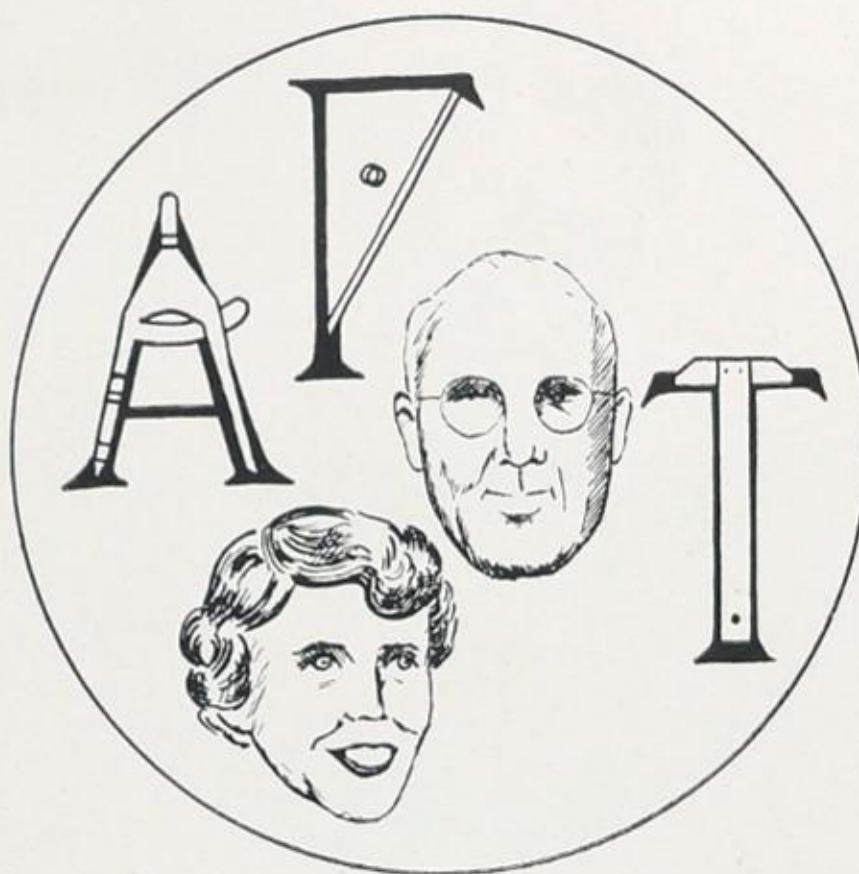

Adviser	Mr. Trumbull Simmons
President	Norman Di Giovanni
Vice-President	Ann Kane
Secretary-Treasurer	Sally Ann Levine

'49ers

ALPHA GAMMA TAU

To the common man mathematics is a lion to be feared; but to the members of Alpha Gamma Tau it is nothing but a kitten, something to play with. They twist its tail, romp with it, and sometimes even dissect it (just for laughs). For those bothered by simultaneous equations, a simplified (?) method for doing them by the determinant was described in a talk by David Young, a member of the club. Highlights of the year were a trip to Babson's Institute in Wellesley to see the giant relief map of the United States there; a talk by Mr. Charles H. Mergandahl; and a visit to the calculating machine at M.I.T. At the November meeting the club formally struck something mathematical which it could not comprehend — how to predict elections successfully.

President	Richard Brainard
Vice-President	Ben Martin
Secretary	Bernice Fingerman
Treasurer	Robert Ward
Adviser	Miss Frances L. Mendell

AVIATION CLUB

The supersonic-sounding buzzing and zooming that has been reported on the athletic field occasionally is just exactly what it sounds like—jet, and gas-propelled aircraft—the real McCoy, but in miniature. It is at these model-meets, held by the Aviation Club, that the future aeronautical experts of the nation display their handiwork. This, however, is only the external part of the program. Trips to Bedford Airport are planned in fall and spring, while during winter the members attend lectures, instruction, and movies on aerodynamics, aeronautics and the like. The season is climaxed by actual flying lessons (what they have been working for all year). Who knows, one day maybe one of these fellows who go around with their heads in the clouds will take off and land on the moon.

President	Frank Capodanno
Vice-President	John Kurkjian
Secretary-Treasurer	Barbara Cook
Adviser	Mr. Chase

BOY'S CHORUS

During the past few years, the Boys' Chorus of Newton High School has acquired a good-sized membership with which to perform the feats required of a fine choral group. The young men found in this organization need not have had any previous training in singing, but they must have a love for choral group singing and the desire to cooperate in the work of the chorus. The Boys' Chorus rehearses a large repertoire ranging from classical to popular selections, and has made records, which demonstrate that the boys work hard and have success. At Newton High School assemblies and at those of other schools, the boys have always been graciously received. At the end of the year, the Boys' Chorus went on a picnic-outing that enjoyably completed a successful season.

President	Norman Furbush
Vice-President	John Fitzpatrick
Secretary	Douglas Evans
Treasurer	Edward Parsons
Adviser	Mr. James Remley

CAMERA CLUB

For the first time in its history the Camera Club has made two divisions of its membership. This split was found to be necessary in order to insure that both the beginners and the advanced members got the full benefit of the meetings. One of the highlights of the year was a trip through a local studio where the club was shown the workings of commercial and portrait photography. Lectures and movies on various themes were presented. One meeting was spent taking pictures of one of the school's amateur models. This was done under the direction of a professional photographer. Some of the members entered the Eastman Kodak contest and others organized a contest themselves. The year was rounded off with a party at the school.

President	Kenneth Prentiss
Vice-President	Donald Johansson
Secretary	Carol Cunningham
Treasurer	Barbara McAloon
Advisers	{ Mr. Sterling Williams
	{ Dr. George A. Land

'49ers

CAVALRY CLUB

Heads up! Heels down! Elbows back! these are all familiar terms to the members of the Cavalry Club. This club is made up of students who have chosen the art of horse-back riding because it is one of the few sports that is a constant test of alertness and coordination of both body and mind together. Only those who have had some experience in riding and have mastered the art of controlling a horse are admitted as permanent members. Principal activities of the Cavalry Club were riding nearly every month of the fall and spring, weather permitting. The winter meetings were passed with lively movies and speakers chosen from noted equestrians in and around Boston. The high point of the year was the club's annual attendance at the Boston Horse Show. The year's activities were rounded up with a hotel dinner and party.

Advisers . . .

{ Mr. Kenneth G. Packard
Mr. John Sherman

CHEMISTRY CLUB

The chemistry department's hand-picked group of young test tube wavers met again this year with its usual series of learned lectures and intricate experiments. It is a privilege and an honor to be admitted to this club, as its members are chosen only by competitive examination. Moreover, something new was added this year, namely, that the meetings were conducted by the members themselves, with five students leading each program and demonstration. One of the highlights of the club's events was the tour through Lever Brothers laboratories. In addition, to the science fair in the spring the club contributed an interesting and well-received exhibit. Keep an eye on these prospective Monsieur and Madame Curies; some day they may be developing products and methods for your better living.

President	Paul Reid
Vice-President	Phyllis Lewis
Secretary	Richard McElroy
Treasurer	Victoria Barbo
Adviser	Mr. John C. Hall

COMMERCIAL CLUB

The Commercial Club consists of girls interested in a business career. Members participate in the regular monthly meetings, and the programs include discussions of common interest. Twice during the year trips were made by the girls to a business organization, where they received valuable information relating to their chosen careers. The club's general theme dwells on opportunities offered in the business world and requirements for success in a business career. Throughout the year, speakers, including some of our own faculty, presented worthwhile talks on good grooming, personality, and other points considered in accepting applications for a job. The need for courtesy, promptness and initiative was stressed as a "must" in the field of business. Members of this fine organization are grateful for the valuable suggestions brought forth at the meetings.

President	Stephanie Zyilkonis
Vice-President	Marion Hargedon
Secretary	Dorothy Coffey
Treasurer	Norma Hamilton
Adviser	Miss Virginia L. Altieri

DEBATING CLUB

The Debating Club is the refuge of persons of varying opinions on every subject. In the informal debates some of these problems are thrashed out. There are two sides to each question, and two members on each side. To hold the discussion within limits of reason, there is a moderator, who, on some lively topics, is not so moderate. After each debate there is a question period among the speakers, and, following that, the audience is allowed to question the debaters. There is very little question-asking, but many opinions are offered. At the end of each meeting the topic to be discussed at the next meeting is decided upon. This year topics included the presidential elections, the Taft-Hartley law, and the subsidizing of college football players.

President	Tom Derr
Vice-President	Robert Stewart
Secretary	Sylvia Bernard
Treasurer	Barbara Gross
Adviser	Mr. Malcolm P. Gallagher

STAGE CREW

THE ENGLISH CLUB

There is no question in the mind of anyone who has been a member of the English Club as to its rating as one of the most enjoyable and broadening organizations in Newton High School. Although it is one of the oldest clubs, it is certainly not old-fashioned! Every year this club seems to improve its program. This year the club sponsored the lecture of Miss Mary Ellen Chase, who had a message of interest to the entire school as well as to the English Club. In addition, the programs of the meetings included a travelogue by Mr. Walen, of the English Department, and a symposium in which both teachers and students presented original writings. A few activities took place out of school, such as a winter excursion and a gala spring picnic in Sudbury.

President	Barbara Painton
Vice-President	Barbara McAloon
Secretary	Mark Caplan
Treasurer	Norma Solimine
Program Chairman	Ann Harwich
Adviser	Miss Irene Haworth

EL CLUB ESPANOL

Saludos del club espanol! From the Spanish classes of Newton High School came this year Spanish students who wished to make use of their previous study of the language, to improve their accents, to increase their vocabularies, and to spend an enjoyable afternoon at the same time. The regular monthly meetings of del club espanol were carried on in Spanish and were recorded by the club secretary — in Spanish, of course. Furthermore, the senores and senioritas of the club were entertained this year by movies, and speeches delivered by former inhabitants of South America, on Spain or the Spanish-speaking South American countries, and Spanish singers. They also played Spanish, "What's the name for it . . .?", charades, and numerous other games that contributed to the enjoyment of the members and to the success of the club's fall program.

LE CERCLE FRANCAIS

Bon jour — In these years of uncertainty between nations, what could be a better way to become friendly with our European neighbors than to learn to speak their languages? What could be more enjoyable than an afternoon watching French movies, listening to people speaking about France, playing French games; or exploring the past of France in museums — all while increasing French vocabulary and improving accent? The meetings were conducted completely en francais; and although it must be admitted that there was not quite as much chatting in "le cercle francais" as in other clubs, any amount of conversation in the language of France was of profit to the pupil. This club was certainly an enjoyable supplement to academic classwork and an aid to the members' success this year.

President	Lucie Adam
Vice-President	Sally Lord
Secretary	Nancy Concannon
Treasurer	Philip Kerivan
Adviser	Miss Mary L. Waters

FUTURE TEACHERS OF AMERICA

The Future Teachers of America was organized last year by a group of seniors who were interested in teaching and in youth guidance. The club is under the leadership of the National Education Association, and is sponsored by the Newton Federation of Teachers. This year club members helped in social settlement houses and also visited some of the Newton schools. Here they observed the methods of social workers and teachers in handling youth and its problems. Other activities included discussions with Dr. Homer Anderson, superintendent of schools, and other members of the Newton Administrative Staff for help in the preparation for teaching. Club members were also guests of the Boston University chapter of the Future Teachers of America. Membership in this club is extremely valuable to all students who are interested in teaching as a profession.

President	Dorothy Halloran
Vice-President	Rita Kirby
Secretary	Nancy Concannon
Treasurer	Wayne Finegar
Adviser	Miss Edith Rideout

HOME ROOM MANAGERS

Few students in Newton High School realize the importance of the home room manager's part in our daily school life. Due to the work of these able individuals, teachers are relieved of many somewhat burdensome tasks. It is the manager's job to handle the role of S.A.T.'s, Newtonians, Newtonites, play tickets, and to collect donations for various worthy organizations. They are the mediaries between our school's extra-curricular program and the school administration and student body. The success of Newton High's many and varied activities depends in large measure upon the ability of the home room managers to bring their fellow classmates into closer contact with school activities. These representatives have a tremendous responsibility as home room managers, and it is the obligation of every pupil of Newton High to support them in their efforts.

'49ers

INTERNATIONAL CLUB

The International Club provides an opportunity for students to keep informed on the trying problems facing the world of today. It is intended expressly for wide-awake individuals who sincerely desire to learn more about the perplexing situations confronting all of us. Once a month pupils debate questions of general interest. While no solution to them is guaranteed, members of this club acquire a wide knowledge of world events. Participants of this up-to-the-minute organization are always on the go; during their monthly meetings they hold discussions of various topics, listen to authoritative speakers, and visit various institutions concerned with world affairs. This truly informative club has in it people who are anxious to study the current problems in our troubled world, and the place we, as young people, have in solving them.

President	Fred Allen
Vice-President	Peter Gavian
Treasurer	Russell Taylor

JUNIOR-SENIOR GIRLS' CHORUS

SOPHOMORE GIRLS' CHORUS

49ers

LAETI LATINI

The members of Laeti Latini this year unanimously agreed that this was the most enjoyable way to study Latin that was ever invented. The "this" in the previous sentence refers to the entertaining slides which were shown and speeches which were given concerning Rome and the Romans; the parties carried on in the restful, lounging style of Cicero's day; and the readings describing the Latin-speaking people. The club also took a trip to a museum to see examples of the art and literature of the ancient Romans. By way of visual aids, the members undertook a project of cutting and mounting pictures from old text books. The year was highlighted by a special and final meeting that included tempting refreshments, games, charades, and Latin word games.

Consuls	{ Elizabeth White Henry Riley
Scriba	Sylvia Bumpus
Quaestor	Nancy Bilezekian
Aedile	Virginia Hanson
Adviser	Miss Elizabeth Jewett

LEADER CORPS

An outstanding honor for the girls of Newton High School is to be asked into the membership of the Girls' Leader Corps. Each candidate was considered for membership on the basis of school spirit, high standards of sportsmanship and character, seriousness towards work, willingness to help, acceptance of responsibilities and effort to see them carried through, and general school enthusiasm. Each girl was nominated by a teacher or Leader Corps member, approved by the membership committee, and accepted by the organization, before she received her letter of invitation to membership. Along with the work went special affairs which were highly enjoyed by the members. This year's planned activities were a week-end at the Sargent Ski-Camp, a Leader Corps dance, a field day in the spring, and the high-light of the year, the annual Girls' Athletic Banquet.

President	Betty Ann Stokes
Vice-President	Mary Jean Stokes
Secretary	Lee Marston
Treasurer	Betty Ann Walker
Adviser	Miss Joyce Tyson

LIBRARY CLUB

One of the busiest clubs in Newton High School this past year was the Library Club. Its energetic members ran from the Library in Building 1 to the Junior College library and back, carried messages and marked and put away books. Through these activities the members were not only of great service to the school, but they also became better acquainted with the facilities of the library.

In addition to the club's service to the high school and the knowledge acquired by the students, another purpose of the club is to have a thoroughly good time. Through the party (at which the dues were "eaten up") and trips, this purpose was easily achieved. To further their aims, this year the club visited the Christian Science Publishing Company and the Paul Revere House.

President	Elsie Nelson
Adviser	Miss Hall

METEOROLOGY CLUB

Fostered by the growing student interest in the field of weather prediction, the Meteorology Club was founded in 1947. Since the establishment of this club its major activity has been actual daily prediction of the weather in Newton. Atop Building 2 the club has its own fully equipped weather station which is similar to those found in leading Boston weather stations and airports. Visits to Logan and Bedford Airports were both educational and fun. There they watched professional forecasters at work. A World War II veteran, who operated a weather out-post during the war, gave an illustrated talk on the atmospheric conditions in the Southwest Pacific. An excursion with a picnic lunch to the Blue Hills' weather station in May was a perfect ending to a very successful season's work.

Adviser . . . Mr. Donald K. Davidson

MUSIC CLUB

NATIONAL HONOR SOCIETY

49ers

NEOPHYTES

The Neophytes, the sophomore equivalent to the Drama Club, found sincere enjoyment in this year's club schedule. Members were entertained at the monthly meetings with one-act plays, humorous skits, monologues, pantomimes, stories, and games. The annual play was presented at a sophomore assembly and was well-received. In addition, a theatre party was the highlight of activities, and the final meeting brought forth tempting refreshments and expert entertainment. Members found that the knowledge acquired on the subject of dramatics has helped them greatly, and in the next two years they will reap the benefits of such training when trying out for the Drama Club, Drama Club Play, and Senior Play. Thus, the Neophytes, after their first year "on stage," have mastered the fundamentals of dramatic skill.

President	Martin Aronson
Vice-President	Ann Mazick
Secretary	Irene Lisman
Treasurer	Ellen Berman
Adviser	Miss Sanguinetti

ONE MOMENT
OF SILENT
PRAYER
BEFORE YOU PROCEED

THE NEWTONIAN

Little did we realize the complications involved in publishing the memories of our school days between the covers of our year-book, the *Newtonian*. Reading the class prophecy and will gives great enjoyment, but the writers know the hardships involved. The art staff had its own problem, making cartoons of the faculty before the deadline arrived. Pictures had to be taken, data had to be procured, and writeups had to be proof-read. Printers were consulted, and arrangements decided upon. The editors ran madly about with tattered copies and statistics, until finally the finished product was ready for delivery to the anxious students. This is the result of our efforts to make this the most outstanding of all *Newtonians*. We present it to you, and hope you will enjoy it.

49ers

NEWTONITE STAFF

"Stop the presses!" This is the cry of the typical aspiring journalist who has just completed a story for the *Newtonite*. The journalism class combines fun with valuable experience while publishing the *Newtonite*. The reporters have beats to cover and special stories to obtain. The articles are written by the students themselves and checked and corrected by members of the student copy-reading staff. An editorial board is elected by the class every term. This affords many students the opportunity to serve in the various editorships and gives them knowledge of the mechanics of newspaper publishing. This year the *Newtonite* expanded its "circulation" by adding "The *Newtonite* on the Air," a series of weekly broadcasts prepared by the staff and directed by Mr. Gerald Boicourt.

Adviser Mr. Harry Walen

49ers

THE ORANGE BOOK

Where is the telephone booth around here? Fortunately, new students at Newton High School are able to purchase the *Orange Book*, a small indexed handbook, to simplify the first few months of school. This unique, orange-covered pocketbook has the answers to all bewildering questions. For instance, in the *Orange Book*, one may learn about eligibility for extracurricular activity and may gather information of clubs, the school constitution, policies, and athletics. The *Orange Book* may also be considered a form of insurance against the senior who may direct a puzzled sophomore to walk the corridor as far as possible, take the elevator to the fifth floor, walk through the library, and then enter 138, the first door on the right. Consequently, the *Orange Book* is every sophomore's guardian angel.

Adviser Miss Ethel Ham

ORANGE SHIELD

The Orange Shield seeks to maintain by earnest work the high standards of Newton High School. It is an organization which works in conjunction with the Civics Board and National Honor Society. Look around you in the cafeteria — the "Shielders" stand out amidst the crowd because of their diligent work, which has its greatest effect when the whole student body cooperates with their efforts. The representatives to this beneficial organization are volunteers from the junior and senior classes. Ten lunchroom captains, a boy and a girl for each day, are chosen to assign positions and to see to it that the necessary duties are carried out efficiently. The Orange Shield's purpose is to make the lunchroom a cleaner and more orderly place in which to eat. Zeal accompanied by effort easily achieved this aim.

Adviser Mr. Foster

BAND

ORCHESTRA

OUTING CLUB

Members of the Outing Club will convince you that this organization is the most energetic and enterprising in the school. The yearly program takes in every sport and outing available, including horse-back riding, ice skating, hiking, bowling, professional basketball and hockey games, and swimming, not to mention the gala hay rides and parties which highlight the year. The club holds two meetings a month: the first, a business meeting, and the second, the outing itself. This group not only plans big events, but carries them out; the password of the club is action, and active it is indeed, with its members doing something every minute. Even with a schedule full enough to keep six clubs occupied, this worthwhile organization offers its services to promote school spirit and cooperation.

President	Marian O'Brien
Vice-President	Lois Patterson
Secretary	Martha Norcross
Treasurer	Betty Murphy
Adviser	Mrs. Janet B. McLaughlin

'49ers

PERSONALITY CLUB

Every girl wants to be popular, to know how to dress pleasingly, to style her hair effectively, and to care for her skin correctly. Every girl wants to develop more poise, and to know how to "win friends and influence people" more easily. These are just a few examples of what the Personality Club teaches to its members. This is one of the newest, most up-to-date clubs of Newton High School. During the past year the club members heard guest speakers on various subjects dealing with poise, personality, and good grooming. Several girls from the Framingham State Teachers' College presented a style show for the members, modeling clothes they had made themselves. Through these programs, the Personality Club teaches its members to be "modern misses" and not "modern messes."

President	Patricia Glynn
Vice-President	Marian O'Brien
Secretary	Gloria Antonellis
Treasurer	Dorothy Kerivan
Adviser	Miss Clara Ashley

PROJECTORS

The room becomes dark, a picture flashes in front of you; suddenly, from the familiar, drab classroom, you are transported into a new world—you are living in a drop of water with the microbes; you are flying over the Andes; or you are watching an intricate, little-known industrial process. No, it isn't your imagination. It's all a result of many hours of work by a number of your friends and classmates. These movies which are shown for your education and enjoyment are presented only as the result of much free time relinquished—namely, the many study halls and free hours which are given up by the members of the Projector Squad. These boys actually put into practice the saying that "a picture is worth a thousand words."

Adviser Mr. William Winston

THE PUPPETEERS

The object of making puppets is not, as in the magical days of old, for punishing one's enemy through his effigy, but is for making entertainment, with which the club readily supplied its members this year.

The Puppeteers — the only organization in which dummies are in power — is one of the smaller but one of the older clubs in Newton High School. The purpose of this club is to enable the members to make use of their dexterous talent by learning how to design, make, and manipulate puppets.

Besides the creating of these mobile characters, the members have the opportunity of producing a play. In producing the play, they became experienced in general stage work by having the job of arranging the scenery, selecting the music, and operating the lights.

President	Robert Cooper
Treasurer	William Underhill
Adviser	Miss A. J. Kennedy

RADIO CLUB

To most of us the Radio Club is just another name, with its meeting room read off on the bulletin. It is a small group with little or no publicity; and if someone were to ask what its members did, the average student would probably say: "Oh, I don't know; I guess they just work with electricity and stuff." Well, you would be quite right, except that the chances are you do not know what that word "stuff" represents. It stands for a meeting every other week, as well as many additional hours, working on radios for the school and, most important, a public address system for the auditorium. It would not be surprising if these boys were to come out with a pocket television set soon.

President	Bill Chaisson
Secretary	Dick Millard
Treasurer	Bob Rice
Adviser	Mr. George C. Batt

'49ers

RALLY COMMITTEE

The Rally Committee worked hard to increase even more the student support of our football, hockey, baseball, basketball, and other teams. They organized all the pre-game fall rallies and were responsible for those chalked slogans on the blackboards. Credit must be given to them for the large attendance at the rallies, for they used every conceivable method to persuade the rooters to come out and cheer for the team. At the games they, with the band, formed the nucleus of the Newton cheering section. They were the real dyed-in-the-wool Newton fans, even when our fortunes were low. To the hard-working members of the Rally Committee, who made our football season a successful one, Hats Off (orange beanies, of course)!

Chairman	Margaret Spiller
Adviser	Miss Muriel B. Smith

SCIENCE CLUB

For an embryo organization (it is in its second year), the Science Club had a surprisingly active schedule. Anyone with a science hobby from aerodynamics to zoology was invited to join. The club was divided into two groups — Physics and Natural Sciences — which worked separately but met together at monthly meetings to hear speakers on various subjects such as aeronautics, gem cutting, meteorology, chemistry and biology. The nature group had several field trips to points of biological interest, particularly the Harvard Museum. The spring Science Fair highlighted the club's season. Excellent opportunities are afforded all who enter this annual contest as it is visited by noted scientists, and winners are entered in the New England School Science Fair. The members did a service for the school by helping prepare exhibits for the Newton Library of Teaching Aids.

President	James Zimmer
Natural Science Chairman . . .	Robert Lund
Physical Science Chairman . . .	Joseph Onate
Treasurer	Betty Ann Stokes
Secretary	Regina Hurley
Adviser	Miss Kennedy

THE SENIOR PLAY

A Murder Has Been Arranged, a mystery play by Emlyn Williams, was the suspense-filled selection for this year's Senior Play. Represented as taking place on the stage of London's St. James Theatre, the story introduces a weird twist in play writing. Sir Charles Jasper, who was to inherit two-million pounds on his fortieth birthday, is murdered by his only living relative before the clock strikes the hour at which he would have been forty. Maurice Mullins, the murderer, having been named the next heir, has performed the seemingly perfect crime, and then strange things begin to happen. Supernatural beings, mystic apparitions, and finally ghosts enter into the plot. This story of suspense and horror made this year's Senior Play one to be remembered.

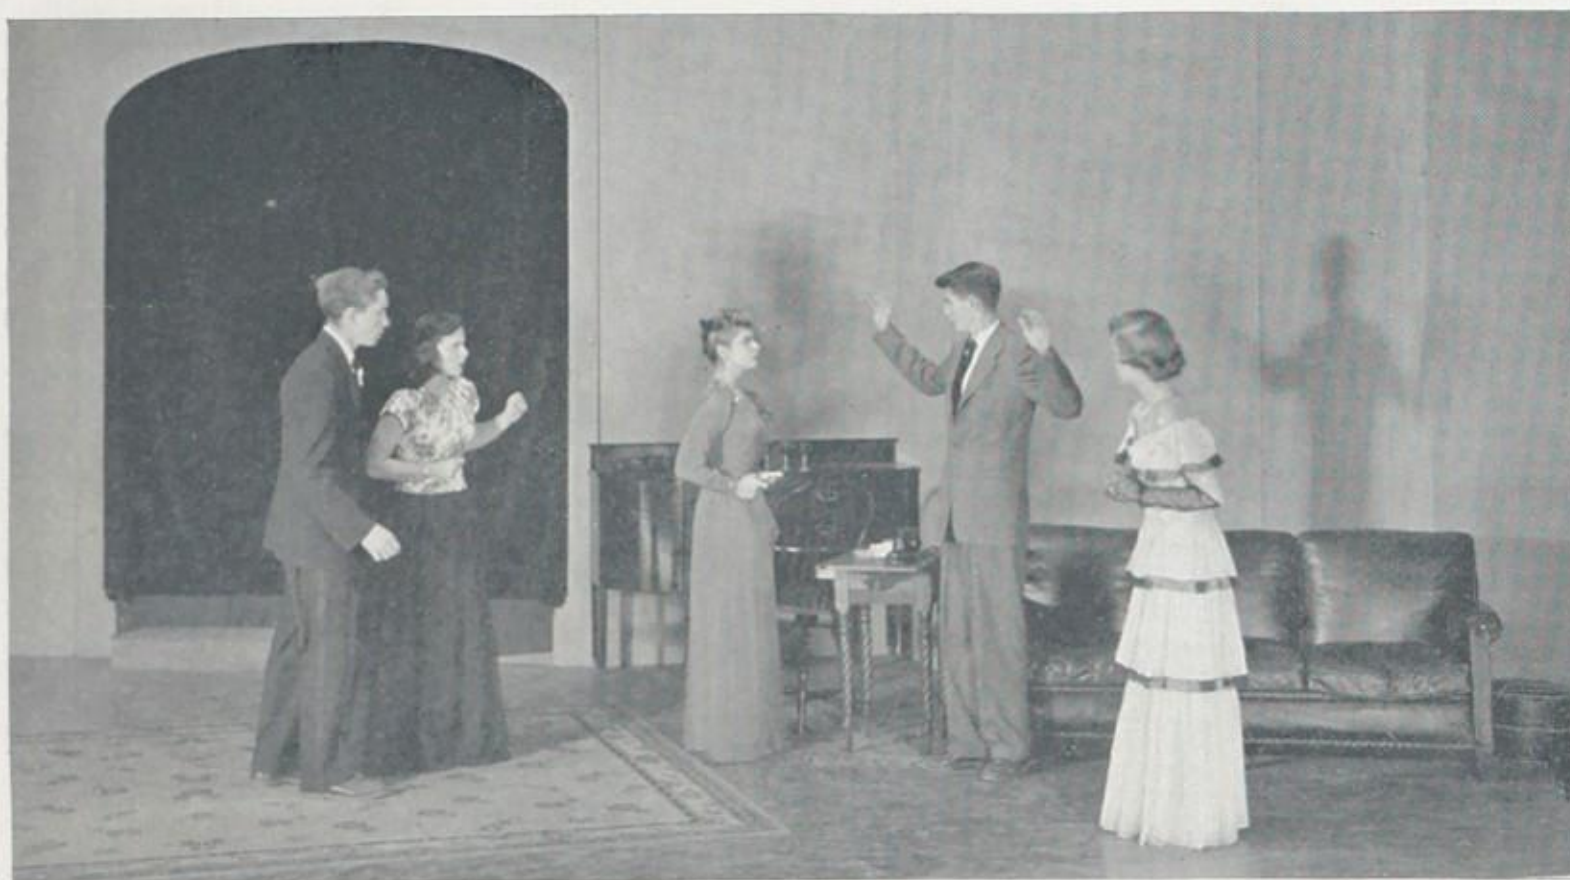

Cast:

Donald Finberg
Nancy MacMillan
Anne Kermath
Eugene Fredey

Ann Harwich
Helen Doliber
Walter Irvine
Rita Cohen

Robert Schwartz

Coach Miss Helen Sweeney

THE SOCIAL ROOM

Do you want to get away from school in school? The Social Room is just that paradise. This room is at the pupil's disposal every morning before school and three afternoons a week. There are soft lounges, deep easy chairs, and popular music, all for the enjoyment and relaxation of the students of Newton High School. Hosts and hostesses are selected by the Social Board, three different groups serving during the year. Furthermore, the Social Room is equipped with books, the latest magazines, a radio phonograph, playing cards, chess, and checker sets. This room is also available for clubs, parties, and interviews certain afternoons upon reservation. Therefore, to hear your favorite tune, to play a fast game of checkers, or just to sit and relax with a group of friends, go to the Social Room.

Adviser Miss South

49ers

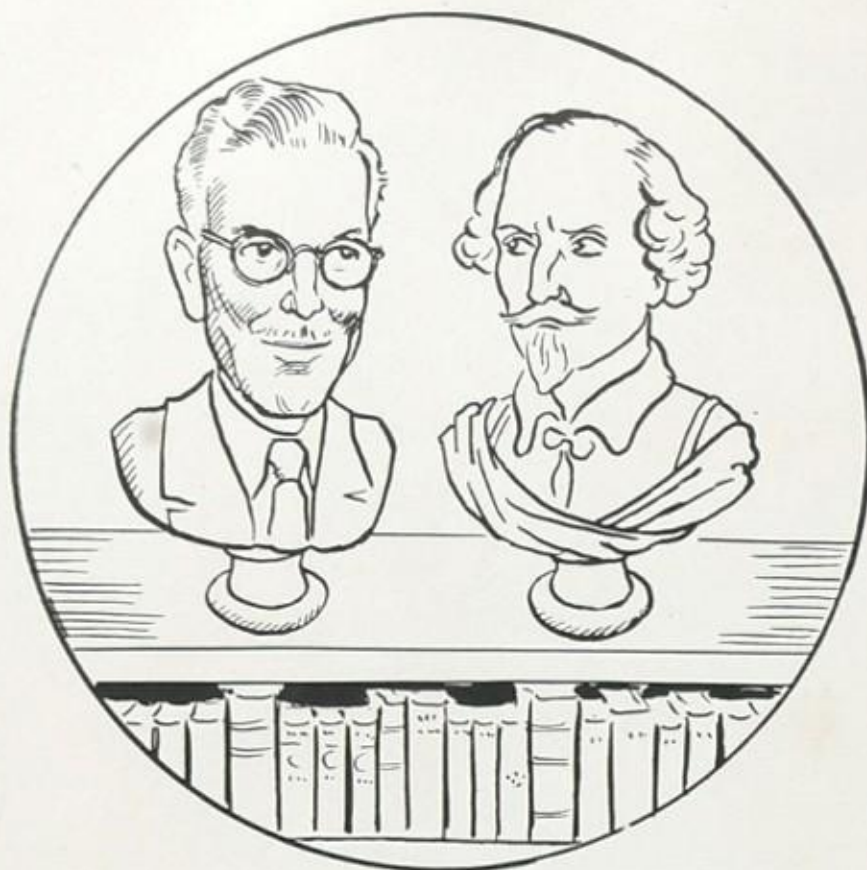

SPEAKERS BUREAU

A recent addition to Newton High's organization is its Speakers Bureau. This bureau was organized last year to enable qualified pupils to gain further speaking experiences. Students showing outstanding ability and talent in speech are selected by a committee to become members of the Bureau. Their activities are many and varied: working with the Red Cross in recruiting blood donors, aiding the Community Chest in stressing the need for greater donations, and helping to publicize the well-known Zimble Sinfonietta. One of the most capable members was chosen to speak at the annual Community Chest Kick-Off Dinner, on the eve of the opening of the Red Feather Campaign. Each student prepares his own speech, with the aid of the adviser. All those who belong to the Speakers Bureau agree that they have gained confidence, poise, and ability in addressing an audience.

Adviser . . . Mr. Harry V. Anderson

TUSITALA

Tusitala, Newton High School's only organization devoted exclusively to writing, was founded in 1935 to encourage creative writing among the students. The limited membership of twenty-five pupils is selected on the merit of manuscripts submitted anonymously and judged by members of the previous year. At the regular monthly meetings, the students did some readings and criticized the writings of their fellow members. In addition, the club as a group visited the adviser's home during the Christmas vacation and held a gala picnic during the spring. Other features were a radio broadcast by the members over station WCRB and the publication of a booklet containing each member's "masterpiece." A successful season was drawn to a close with the printing of several writings in the senior issue of the *Newtonite*.

VARSITY CLUB

Girls, if you want to knit your fellow a sweater, knit him a black one with a big orange "N" on it. For this is a sign that he is a varsity man, and probably a member of one of Newton High's most exclusive clubs—the Varsity Club. Membership in this organization is open to all those boys who have won a senior varsity letter in any sport. Among other varied tasks, these boys help to choose the speakers for the Athletic Banquet and the All Boys' Assembly. They also serve as guides for the new students in the fall. During the year different athletic teams were visited. Founded in 1936, the Varsity Club has as its main purpose the promoting of good sportsmanship among our athletes.

WORKSHOP IN LEADERSHIP AND COMMUNITY LIFE

In April, twenty-four seniors and two juniors enjoyed a most unusual educational experience in Wyandotte, Michigan. A similar group from Wyandotte visited Newton in May. Earlier in the year, "pen pal" correspondence was begun between the two groups. In preparation for the trip, Workshop members studied both the Great Lakes' region and their own area to enable them to answer questions asked by the Wyandotte students. With the cooperation of the Newton Red Cross, the pupils visited industrial plants and the University of Michigan. Participants feel that this memorable experience was but the beginning of finer opportunities in education.

NEWTON TRADE SCHOOL BASKETBALL

The Newton Trade School was represented this winter on the basketball court for the first time since 1932. The team played an Eastern Massachusetts League schedule of 12 games. Coach Ted Dada, formerly all American forward at Syracuse University, piloted the quintet to a record of 8 wins against 4 losses. Newton Trade may triumphantly boast that it handed Waltham Trade its only defeat of the season, before a full house of 200 people, in the Newton High Gym. Waltham had led the League undefeated until this first encounter with Newton, which it lost 40-34. However, the Watch City rivals won the final game, 32-28, at the Boston Arena, February 25, thus concluding the season for both quintets. In spite of this set-back, Newton Trade, with its fine record, now proudly occupies third place in the League.

RETIRING AFTER FAITHFUL SERVICE . . .

MISS ALMA A. THOMAS

Commercial Dept., 1925-1949

To Miss Thomas:

We want you to know that your work here at school these past years has been greatly appreciated. The girls in the commercial department will especially remember your sincere and friendly guidance.

MR. HORACE KIDGER

Social Studies Dept., 1908-1949

To Mr Kidger:

Forty-one years you have been a teacher and leader in Newton High. Now that you are retiring we want you to know that we respect you for your true worth; we honor you for your length of service; and we appreciate you as a friend.

CLASS PROPHECY

As we turn the clock back one century we see the golden sun reaching its peak in the Occidental sky. The heat has become somewhat offensive as we hear the cheery, but weary shouts of "Knock off" and "Let's eat." The hardy, bronzed prospectors gather under the shade of a spreading cactus.

"Whew! What a day! Wonder it don't melt the gold right off the shovels."

"Umm, um! The ol' lady's grub tastes good fer once."

"You bet. Say 've ya heard about the new Duff's Tavern openin' this week? Hear tell there's gonna be an act all the way from the East, some flossy dancin' Doliber woman. Duff himself's doin' the pianna playin'. I shore aim ta go ta the openin'. Paul Reid got a good deal buildin' thet there joint."

"Yup. He shore did. Speakin' o' that Reid Fella, ya heard all the work his partner Charlie Murphy's been gettin'? To hear them tell uv it, you'd think they wuz the only ones buildin' up this here country. They're buildin' Rupe Amman's new bunkhouse."

"That Amman feller did O.K. fer hisself. Him bein' a city slicker an' all. Too bad, though, thet Ken Prentiss came back to build up his tintype shop again. I figured that 'd wash Rupe up, but his cattle ain't bringin' in chicken feed — no sir."

"Say boy, who's this new fangled female Jane Van Note what's opened a school fer the kids? Teachin' 'em readin' 'n sech stuff. We could'a used the room fer the mules."

"Hey, fellas, wonder when that new steam railroad 'll git here? It's fourteen miles West a' here now. At the rate it's goin' it orta be here any day."

"You bet, hear the son of a local fella is president of thet there Pacific Express. Name's Bob Stewart, and he's goin' ta have the best road yet."

"Some of the guys have gone out and got jobs with the first crew. Carl Nelson and Frank Musinsky went out. They're in the bunch that Carl Whynot is the foreman of. Pudge Palmer is a foreman too. These here railroad workers 're gettin' pretty good pay. Course, it's hard work."

"Ya hear thet Clark Alvord, Don Hoxie, and John Rambeau are talkin' 'bout quittin' here ta go out ta work on this new road?"

"Yeah, there's Norbert Slack and Rus King who left yesterday to join up Buffalo Bill Fitzpatrick's huntin' party. They're huntin' bisons fer the market."

"Gosh, with this here new railroad the town's gettin' just too durn civilized. You been over ta the Clinic to see those doctors from New York? Sure are screwy!"

"Hear they brought the whole kit-and-kaboodle with them. A doctor fer cuttin' you up named James Zimmer, another doctor fer just lookin' at you named Barbara Painton, some Miss Van Gorder, and some woman, Yvonne Luthy, what just about reads a fella's mind. They also got a secretary ta keep the records straight. Her name's Alice Foster."

"With that bunch, ol' Doc Lucier will have the first competition in years, and Peg Van Note won't have much use fer her Sweet Cactus Sugar Pills, 'the cure for all that ails.'"

"Speakin' o' pills, have ya heard tell about Pop Saltman's Medicine Show? He sells Pop Saltman's Pure Salt Water Cure. Don't know how good his stuff is, but he shore got some good talent, like Margaret Allison an' her fiddle, she plays real long hair music. They got a barker called Finberg that can be heard fer miles. Hear tell he's also got a quartet of local fellas. Walt Tower, Tony Cunningham, Bill Underhill, and Gordie Marquis sure join in some purty powerful harmony. Got some play actors along, too. There's Ann Harwich and Nancy MacMillian doin' some real mellow drama with Bob Schwartz, Walter Irvine, and John Chittick supporting them. They're doin' stuff like ol' man Shakyspeare used ta write. Don't know how Pop's medicine sells, but he's got a good show."

"While ya mention it, Saltman had the arty crowd Mary Lou Rees, Davera Benson, Julie Spenser, and Betty Peck doin' his decoratin' fer him. They just finished a pretty neat job on Joe Scichilone's new store."

"That be quite a store. He got some mighty fine things, David Cravatts's neckties, Eliot Sterling's silver plate, Ted Barker's dog biscuits, David Woodbury's soap, and Fuz Furbush's hair brushes."

"Gosh, ya been in the store? Joe's got two big helpers, George Brady and George Stiglich to do the heavy work. Ya kin always find Frank Tanner, John Fitzpatrick, Waldo Jones, and Joe Coffey settin' 'n gabbin' 'bout the old days around the stove. Sometimes they upset a game of cribbage 'tween Leslie Martin and Donald Muirhead."

"Yup, ya kin usually expect a crowd in there. Yesterday I seen Prill Cook in from the hills doin' her buyin'. She was gabbin' with Patty Parcher, Helen Simms, and Cinny Weston all doin' the same as her."

"When they gets ta shoppin' early, that's a sign it's goin' ta be a tough winter. Norma Barbuto said she saw Bill Banks preparin' to hitch up and hi out afore the weather gets too bad."

"Hey, look there. It's Dave Norton comin' full-clip. Wonder what's up?"

"Fellas, wait a minute! I just got news of a bank robbery. I hear the bank president Tom Derr has summoned U. S. Marshall Stevens from the capital to investigate. He just put up a notice offerin' five thousand smackers fer the bandit. Sheriff Pettys is goin' ta organize a posse with the aid of his deputy Peters. I heard from the village that the Greene Gazette is goin' ta run the story. The editors Chris Greene and Sylvia Bernard are workin' their heads off ta get the story out on time. I aim ta join up in the posse. What about you guys?"

"You bet."

"Boy, let me out a' here. Let me at that money."

As we leave the Newtonia mine we see the miners dispersing, some to join the posse, others to go back to their mining. Quickly the clock turns ahead to the twentieth century, once more. We hope you haven't minded seeing yourselves as you might have been one hundred years ago.

LIKELIEST PROSPECTORS

CHRIS GREEN, whom we don't see too often
Is always around, just the same.
His love is for writing publications and such
And for that he has won great fame.

FRED STEPHENS, a tall dark senior
And athlete at Newton High,
Is the John Atlas to every sophomore,
The idol of their eye.

DON FINBERG, a boy from Waban,
Has become familiar to all
By his outstanding work in the drama field
Has proved him to be on the ball.

BOB PETTYS, whose many interests
Range from hunting to the opposite sex,
Is one of the top males at high school,
And admired in every respect.

FRANK MUSINSKY, that tall senior
Whose voice is as deep as can be
Is another of those who love drama,
That fact is plain to see.

One inmate we haven't said much about
JOHN LUCIER who's to be a doctor some day
But if he doesn't achieve this goal
We'll love him anyway.

JAMES ZIMMER, who's crazy about science,
Wee curliques, figures and such,
Is another top senior at H. S.
Known and liked by all very much.

There is one senior not yet mentioned,
That smart lad known as TOM DERR
Managing track teams is a favorite pastime
Of the one to which I refer.

AND PROSPECTORETTES

Though her name is really RUTH ARMSTRONG,
She is called "little lefty" by friends,
She is active and gay most of the day,
But at night, well, that all depends.

EVELYN CASTOLDI who has come far
In the clarinet playing world,
Plays in the band, orchestra too,
And is really a peach of a girl.

Another senior we are proud of,
Is SYLVIA BERNARD, known far and wide
For her good, hard work on our yearbook,
"The Newtonian," her joy and pride.

It's no wonder that Miss Versatile of '49
Is the cute HELEN DOLIBER, by name,
Mistress of drama, music, and dance,
She will some day win great fame.

JOAN BURNETT, that ideal gal
Says her only love is food,
But we've seen her on week-ends
When she's in a different mood.

MARY JEAN STOKES, as one of a pair,
Though a true violinist at heart,
Likes sports: baseball, hockey and so
Takes in them an active part.

BETTY ANN STOKES, that other twin,
Certainly follows right in step.
Like her sister, she has a fondness
For violins and sports, you can bet!

Another distinguished violinist we know,
Who came from Warren to Newton High,
Is MARGARET ALLISON, lover of music
And talented, we can't deny.

LAST WILL AND TESTAMENT

Be it remembered that we, the class of 1949, being of sound mind and sounder body, as our school days draw to an uncertain close, do make this our last will and testament.

To Posterity

A rusty pick and shovel which some misguided member of our class used to dig for gold in the tunnels.

Building three - slightly damaged

The unfilled hope of our class (and of all classes in the past) of less homework, more social life, free food, and the name of that cute bit 'o fluff we see in the corridor.

To Math 4 Students

Mr. Walters and his five regular polyhedrons now and forever more

To History Classes

Mr. Muzzey's pride and joy - with pleasure!

To The Library

A soda fountain (gotta get the students in there somehow)

To Future Physics Students

Mr. Slim Somerville - need I say more?

To The Teachers

A herd of cows standing in a field for Mr. Hall.

Pupils who can survive long weary hours of home assignments and still be on their "mental tip toes" for Miss South.

A pair of suspenders for Mr. March to suspend his animation.

A real live stoic to keep Mr. Feintzelman company.

From The Class of '49 to:

Doug Duff - 88 keys and a fine radio show.

Bruce Peters - two assistants - Lefty and Righty.

Pinky Higgins - a good joke book because he doesn't need one.

Tom Derr (the brain behind our track team) Harvard's track team.

Helen Doliber - the lead in a Broadway show.

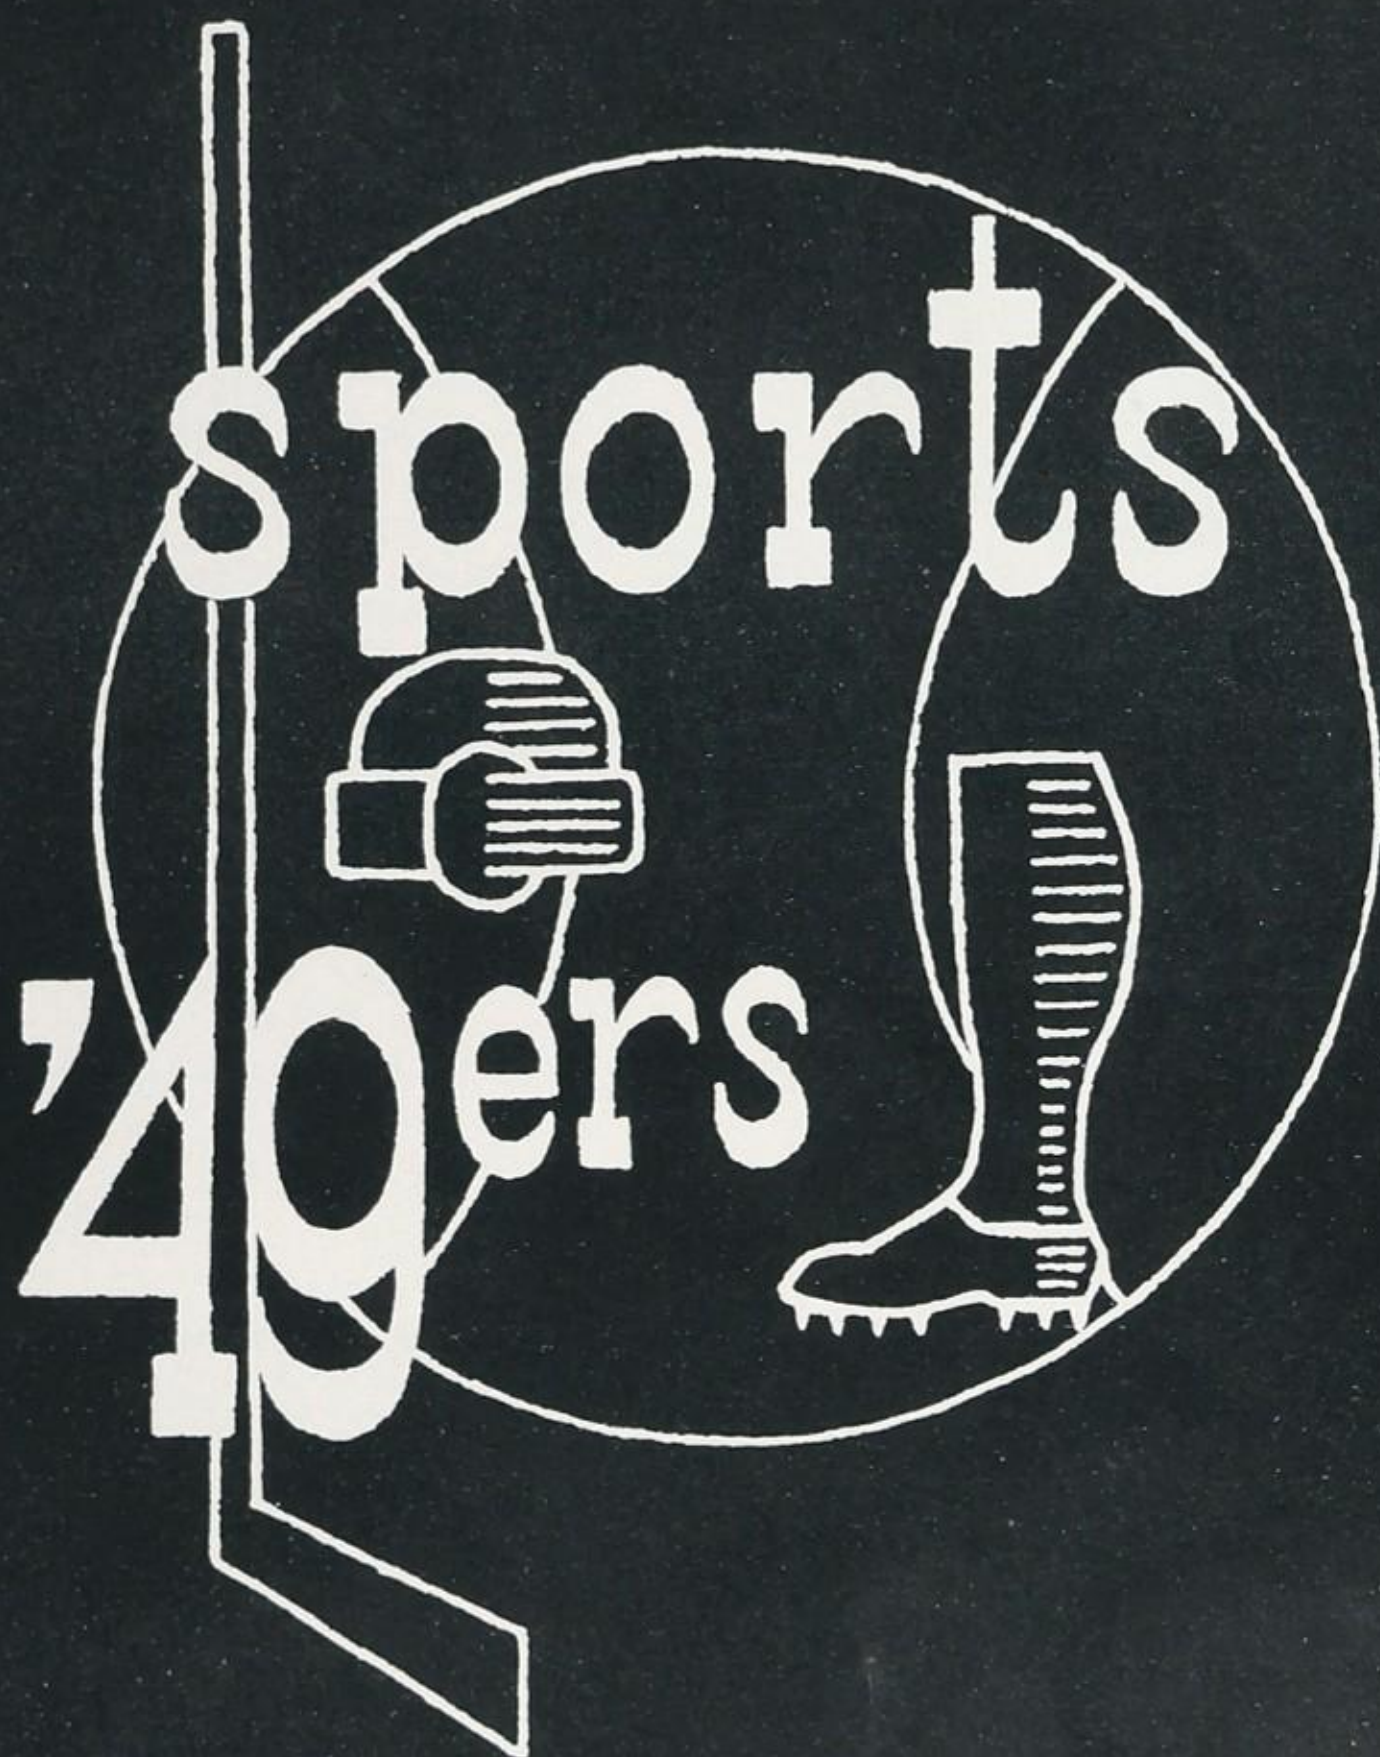

Bryan Mims - a Confederate Flag

All interested boys - a date with Ann Bennet, Norma Boulé, Joan Burnett, or one of our cheer leaders - did I hear someone whistle?

To the students (?) whose guidance cards look like a bloody battlefield - enough credits to graduate.

To all the students who helped to make N. H. S. what it is - a pat on the back for a job well done.

Leonard Brown
Class Attorney

BASEBALL

When last year's suburban league champions came out for practice this spring, there were many capable veterans on hand. The pitching staff was headed by smooth left-hander Ed Fractman and dependable right-hander Dave Woodbury, both of whom had pitched fine ball last season. Most of last season's infield returned this year, and the outfield will be led by hard-hitting George Palmer who performed so stalwartly at that position last year. Other members who bolstered the team's strength were Fred Stephens, Bill Fitzpatrick, Frank Tanner, Bob DePopulo, and Gino D'Antonio.

'49ers

BASKETBALL

Newton High's basketball quintet was fortified by eight returning lettermen, led by high-scorers Hank McQueeney and Norm Furbush. Long-shot artist Frank Tanner, who amazed the spectators with his accuracy last year, was among the returnees. Other standouts included Burt Peck, Bob DePopulo, Ed Fractman, Dick Curley, and Ralph Barisano. The efforts of these men of proven ability, combined with the playing of members of last season's junior squad, made it possible for the team to end the season high in the league standing.

FOOTBALL

After a slow start the Newton High football team ended the season on championship form. A moral victory was attained when the team, sparked by Norm Furbush, held a highly-favored Waltham eleven to a 0-0 tie. The team ended the year victoriously with a 24-13 victory in the annual Thanksgiving classic with Brookline. This game was highlighted by Joe Wright's two touchdowns and Waldo Jones' pass-receiving. Other stand-outs for Newton all year were Frank Tanner, Fred Stephens, Dick Murphy, and all-scholastic guard, Joe Coffey. The many outstanding juniors and sophomores on the squad should form the nucleus of a strong team next season.

'49ers

GOLF

With five lettermen returning from last year's squad, the 1949 version of the Newton High Golf team provided plenty of competition for the other teams of the league, while the team was gaining an impressive fairway record. Although golf has to compete with other spring sports such as outdoor track, baseball and tennis, the increasing number of sophomores and juniors participating in this sport each year is helping to make golf one of Newton High's leading sports.

HOCKEY

The Tiger sextet enjoyed a successful season with such impressive holdovers as Captain "Jeep" Coyle and Bill Fitzpatrick. Some of the promising newcomers were Duddy Evans, Doug Manchester, and Dan Keefe. Newton, although they were handicapped by lack of skating facilities, showed their usual skill and fighting spirit. The team got off to a slow start but finished strongly with Dave Stanley playing fine games at wing. Frank Feeley proved himself while attending to the goal tending chores. The team as a whole played well and expects to have another good season next year.

'49ers

INDOOR TRACK

Backboned by such capable performers as Captain Bob Vangel, Bob Evans, John Chittick, John Lucier, Jim Hoy, and Louis Generazzio, the 1948-1949 Terriers, as the team is known, performed capably and to the credit of their school. The season was highlighted by the State Meet at the Garden and the two dual meets with traditional rivals Brookline and Malden. There were, in addition, the Northeastern interscholastic meet and duals with Medford, Lowell, and Watertown. In all these the team showed up well, proving a worthy representative of a school famous for its track teams.

OUTDOOR TRACK

Newton's 1949 outdoor track team had its work cut out for it at the beginning of the season, since all but one of the boys whose scores brought the state championship to the Garden City last year had graduated. One has only to read the list of past champion squads to realize how remarkable Newton's achievements in this sport have been. The Tigers have won more State Meet titles than any other city, so it was natural to expect performances of high caliber from this year's outfit. The few holdovers from 1948, aided by discoveries from the indoor season and some good new athletes, did turn in an excellent season, and Newton's reputation as a track power was preserved.

'49ers

SKIING

In its second year, after a long layoff, the Newton High skiing squad entered another successful season. Again this year, many meets with other high schools took place at the Commonwealth Country Club. Judging by the great flow of members, skiing has been received with much enthusiasm by the students, and is rapidly forming itself into one of Newton High's most popular sports.

TENNIS

Although most of the lettermen of last year's fine tennis team had left, the many outstanding members of the junior varsity filled the gap. They carried on the fine tradition of Newton High teams with exceptional skill and good sportsmanship. Even though tennis has had to compete with baseball and outdoor track for support, the increasing amount of interest in this sport and its annual consistency in producing a winning squad makes it loom as one of Newton High's most popular sports.

SCHOOL SONG

Stand up and cheer for Newton men!
Our team is here to win again.
Victory is sealed when they take the field,
So let's cheer them on with a rah! rah! rah!

Stand up and cheer with all your might;
Cheer them all through the fight!
They sure can play; this is our day
For Newton High!

CHEERS

SPORTY AS A CADILLAC

Sporty as a Cadillac
Shifty as a gear
That's the team that Newton has
That's the team to cheer!

DIG IT

Dig it kids, come on get hep
Follow the varsity, get in step
Jive it up, and turn on the heat
Newton's team just can't be beat!

HIT 'EM HARD

End, center, tackle, guard
Get your man and hit him hard
Hit him high, hit him low
Come on Newton, let's go!

N-N-E-E-E

N-N,-E-E-E
W-W,-T-T-T
O-O,-N-N-N
New-ton!

CHICK-A-LACK-A

Chick-a-lack-a chick-a-lack-a chow chow chow
Boom-a-lack-a boom-a-lack-a bow wow wow
Chick-a-lack-a boom-a-lack-a
Well I guess
Newton High School is the best.

GO BACK

Go back, go back, go back to the woods
'Cause you haven't, you haven't, you haven't got the
goods
You haven't got the rhythm
And you haven't got the jazz
And you haven't got the team that Newton has!

BABY IN THE HIGH CHAIR

We have no cheer,
We have no yell,
But when we yell
We yell like the baby in the high chair.

Who put her there?
Ma! Pa! sis boom bah!
Newton High School
Rah! Rah! Rah!

GIVE US AN N

Give us an N (clap, clap)
Give us an E (clap, clap)
Give us a W-T-O-N (clap, clap)
For the Orange (clap, clap)
For the Black (clap, clap)
And we'll fight, fight, fight, right back!

BASKETBALL

Over one hundred girls signed up for basketball this year! Everyone thoroughly enjoyed playing on one of the fourteen pick-up teams. The addition of the double bounce accelerated the games and produced keener competition between teams. A fast, determined varsity was chosen which played Concord, Wellesley, Cambridge Latin, Belmont, Melrose, Watertown, Weston, the alumnae and Newton Junior College. Next year's team will miss the excellent playing of such girls as "long-armed" Eleanor Scofield, "bouncer" Betty Swenson, "swisher" Betty Morgan and "blacker" Mary Jean Stokes, who helped make this year's team one of the finest examples of fair play and team spirit that the school has ever seen.

Coaches { Mrs. McLaughlin
Miss Tyson

49ers

HOCKEY

Teamwork! Fighting spirit! Good sportsmanship! These were the factors which made the girls' field hockey team a winning combination. The highlight of the season was the playday at Winsor, where Newton had the honor of having two of its members chosen for the All Star Team. These outstanding athletes were June "Pip" Owen and Virginia Hatton. After losing the first game, the team suddenly caught fire and won eight straight victories. The junior varsity had an undefeated season, winning four games and tying two games. Next year, the team will undoubtedly miss the veteran players "swifty" Swenson, "dependable" Morgan, "trusty" Murphy, the "steady" Stokeses, and "peppy" Palmer.

Coach Miss Tyson

MODERN DANCE

School had no sooner begun this Fall than the girls of the modern dance group began the dance choreography of a big surprise! We were all delighted with their Saber Dance, which was performed during the halves of the Medford game.

This year there were three modern dance groups, each accommodating about forty girls. Each group met once a week throughout the school year. In this way the girls were able to advance in technical ability and have a lot of fun doing it.

By creating a larger dance repertoire, the group planned to have dances ready for many school functions such as Parents' Afternoons, Musicals and demonstrations.

Coach Miss Cronin
Pianist Mrs. Mae Kirklichter

49ers

SOFTBALL

It's the hit, the run, the slide, you're safe!
That increases the thrill of the game.
It's the win, the tie, the loss, the rain,
That attaches suspense to the same.
It's the strike, the tick, the bunt, the foul,
That creates a fast sport that's not tame.
But . . . It's the spirit, the zeal, the
will, the fight,
That has won for our girls their high
fame!

Softball, though a major sport for only three years, has been received with much enthusiasm and interest in the school. This year the team played Melrose, Belmont, Wellesley, Brookline, Winsor, Framingham, and Needham, and showed the game of softball at its best.

Coach Miss Tyson

TENNIS

With the new courts available, the scheduling of the first fall tournament aroused great interest among the girl tennis enthusiasts. The players found the smooth, hard asphalt far superior to the old clay courts. The games were faster and this made the competition more intense. The satisfaction of the season's fun and accomplishment was tempered by regret that the two talented and skillful Joans (Cutler and Burnett) will not be with the teams next year. However, the renewed interest in tennis, to which the class of 1949 made a noteworthy contribution, will undoubtedly encourage many budding tennis stars to blossom forth in future years.

LASELL JUNIOR COLLEGE

Organization

Lasell is a two-year junior college. Its field includes Liberal Arts Curricula and Curricula of Terminal Courses designed to develop economic, social, civic and personal competence. Lasell is a Junior College member of the New England Association of Colleges and Secondary Schools, and a member of the New England Junior College Council, of the American Association of Junior Colleges, and of the American Council on Education. By authority of the Massachusetts Legislature, Lasell grants the degrees of Associate in Arts or Associate in Science to its graduates.

CURRICULA OFFERED AT LASELL

Liberal Arts Transfer Curricula

With courses in English, languages, sciences and social studies parallel with those offered in the first two years of senior college.

Terminal Curricula

Home Economics
Secretarial Science
Medical Secretarial Science
Merchandising
Design, including Fashion, Interior Decoration, Advertising, and Craft Technique
Academic Music with piano, voice, organ, violin, cello or harp as a major
Speech and Dramatics
General or Exploratory Curriculum

Pre-Professional Curricula

Pre-Nursing
Pre-Occupational Therapy
Pre-Physiotherapy
Pre-Clinical Training in Medical Technology

Special Students

A limited number of qualified students may arrange courses of concentrated effort along certain lines, with the same privileges and advantages as students in the regular courses.

For Catalog Address **DIRECTOR OF ADMISSIONS**, Lasell Junior College, Auburndale 66, Mass.
